

OUTDOOR RUGS

Designed for luxurious outdoor living spaces, decks and verandas, this carpeting capitalizes on next generation technical fibres to deliver outstanding durability and effortless maintenance. Its robust, compact structure is based on a solid, dense weave crafted with exacting attention to detail.

Available in plain and striped versions, St. Barth interprets color with a discreet, understated touch, something which is accentuated in the combinations of shades that feature on the striped versions.

100% Polypropylene - Water Resistant - Stain Resistant - Fade Resistant - Bleachable - Lightweight and Flexible
